I'm holding onto something
I can feel it in my soul
Are you slipping through my fingers?
So tell me now, 'cause I really need to know
This is now or never
So take me in your arms
We'll be forever
Don't let us fall apart
Gotta hold it together
We can fly..... home
I'm deafen by your silence
More than you could know
Now I fallow every heartbeat
As fast as I can go
This is now or never
So take me in your arms
We'll be forever
Don't let us fall apart
Gotta hold it together
We can fly home
We can fly home
