Feel the pressure, ready to explode  
It's a crazy feeling, I just need to know  
Let the music take you where you want to go  
Feels like a fire in my soul  
Cause I'm going out of my head  
And I need to know, do you feel the same way  
Cause I'm going out of my head  
And I need to know, is it making you crazy  
And I fall to my knees, and I'm holding on, begging  
you to stay  
Cause I'm going out of my head  
And I need to know, do you feel the same way  
Come on!  
Do you, do you feel the same way  
Cause I'm going out of my head [2x]  
Cause I'm going out of my, I'm going out of my  
I'm going, I'm going, I'm making!  
Feel the pressure, ready to explode  
It's a crazy feeling, I just need to know
