It's all about hanging onto something,
No matter what they say,
You got the final way,
Find the way,
It's all about searching for a reason,
Before it's too late,
You've got to figure it out,
And keep the faith,
So don't be scared, lift it up,
The future shows for you to find,
It's all about hanging onto something,
Before it's too late,

It's rainig down again,
And raining down again,
And raining down, down, down,
It's raining down again,
And raining down again,
And raining down, down, down,

Wooooooh
Wooooooh
Wooooooh
Wooooooh
Wooooooh
Wooooooh

It's rainig down again,
And raining down again,
And raining down, down, down,
It's raining down again,
And raining down again,
And raining down, down, down,

Uuuuuuh

It's all about hanging onto something,

No matter what they say,
You got the final way,
Find the way,
It's all about searching for a reason,

Before it's too late,
You've got to figure it out,
And keep the faith,
So don't be scared, lift it up,
The future shows for you to find,
It's all about hanging onto something,
Before it's too late,

It's rainig down again,
And raining down again,
And raining down, down, down,
It's raining down again,
And raining down again,
And raining down, down, down,

Wooooooh
Wooooooh
Wooooooh
Wooooooh
Wooooooh
Wooooooh

It's rainig down again,
And raining down again,
And raining down, down, down,
It's raining down again,
And raining down again,
And raining down, down, down,
