Oh no baby you keep rockin' me out
Oh no baby you keep rockin' me out
Oh no baby you keep rockin' me out
Go slow baby while you're rockin' me out
(Oh yeah you rock me out, oh oh yeah you rock me out)

I want you, without a doubt
It's too late to scream and shout
Let me in, I'm gonna rock the crowd
I know, I know, oh way, I say, oh but

Everybody sees it baby, it's so plain to see
You're gonna get with me, you're gonna rock me out
You think that I'm crazy baby but it's so clear to me
That's how it's got to be, you're gonna rock me out
You're gonna rock me out

You're gonna rock me out

Show show baby how you're rockin' it out
So close honey show me what it's about

I want you, you want me too
Not too late, do what you do
Let me in, I'm telling you

I know, I know, you know, oh way, oh but

I know that you love me baby, I'm your fantasy
And if it's up to me, you're gonna rock me out
Everybody talking crazy don't mean shit to me
I'll do it all for free only if you rock me out
I'll do it all for free only if you rock me out
I'll do it all for free only if you rock me out

(Oh no baby you keep rockin' me out
Oh no baby you keep rockin' me out
Oh no baby you keep, oh no baby you keep rockin' me
out)
You're gonna rock me out

You're gonna rock me out

Everybody sees it baby, it's so plain to see
You're gonna get with me, you're gonna rock me out
You think that I'm crazy baby but it's so clear to me
That's how it's got to be, you're gonna rock me out
You're gonna rock me out
