Chorus

You can?t get something for nothing  
Money can?t buy what you need inside  
Cause you got nothing  
Cause love is missin?  
Baby can?t you see  
There?s no substitute for love

Verse

All your life  
(All your life)  
I bet you?re thinking bout it baby  
(Thinking bout it baby)  
How illusive is your love  
(How illusive is your love)  
But you ain?t right  
You got that bitch up in you baby  
Too damn scared to take the plunge

Chorus

Verse

I don?t mind  
(I don?t mind)  
Tryin to spend some time  
(No no no no no)  
But wasting time  
Girl not on my mind  
But if you can?t see  
That our love is true  
I guess it?s time  
Girl to see we?re through

Chorus

Verse

Now I don?t need

(I don't need)  
To love a woman like you  
(No no no no no)  
But my love  
Girl will see us through  
But if you keep playing  
This silly game with me  
A broken heart  
Girl I just don't need

Chorus

Something

Money can't buy what you need inside  
You got some bitch in you babe

Cause you ain't right no no

Girl you're wasting all my time  
Get up off my mind  
(You're wasting all my time)  
Girl you're full of fake and wine  
Get up off that vine  
(You're full of fake and wine)  
Girl you're wasting all my time  
Get up off my mind  
(Get off of my mind)  
Girl you're full of fake and wine  
Get up off that vine  
(Ahh babe)  
Get up out my pocket babe  
Get up off my wad  
(I'm gonna talk to you)  
Without you girl I'll do just fine  
You better walk that line  
(What you're gonna do)  
Get up out my pocket babe  
Get up off my wad  
(All mine all mine)  
Without you girl I'll do just fine  
You better walk that line
