I saw you yesterday
You walked past and you looked right through me
and then I heard you say
oh no he didn't see me did he
and now your walking away
to see you cry wasn't my intention
just let me make it ok
just give me one more chance to say
I'm sorry, I am so sorry
I didn't mean to make you mad
You're the best thing I ever had
I'm sorry, I am so sorry
cause she wasn't worth it anyway
so turn around and please don't walk away
please don't walk away
I'm sorry, I am so sorry
and now you're walking away
I'm sorry, I am so sorry
and now you're walking away
I saw you yesterday
You walked past and you looked right through me
and then I heard you say
oh no he didn't see me did he
and now your walking away
to see you cry wasn't my intention
just let me make it ok
just give me one more chance to say
I'm sorry, I am so sorry
I didn't mean to make you mad
You're the best thing I ever had
I'm sorry, I am so sorry
cause she wasn't worth it anyway
so turn around and please don't walk away
Please don't walk away, please don't walk away
I'm sorry, I am so sorry
I didn't mean to make you mad
You're the best thing I ever had
I'm sorry, I am so sorry
cause she wasn't worth it anyway
so turn around and please don't walk away
