Where do we goooooo

Ooh, hooh  
Hooh, hooh  
Hooh, hooh  
Ooh, hooh

Where do we go from here  
Lead me astray, show me the way  
I need to find a new direction  
How will I make it clear  
There must be a way, I'll find it today  
I wanna chase that feeling

Where do we go  
I can't breathe  
Where do we go  
I'm on my knees  
Where do we go  
I can't see  
Where do we go  
I'm begging you please  
X2

Where do we goooooo

Where do we go  
I can't breathe  
Where do we go  
I'm on my knees  
Where do we go  
I can't see  
Where do we go  
I'm begging you please
