C'mon ! Oh Yeah ! One two three four

Yeah yeah yeah are you ready folks, ououoh
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready now

I wanna be happy, I wanna be wealthy
And breathe in the clean open air
Imagination will loose all nations but loose all losers in
the air
Yeah take a look around, you need in wave of fun
When you can walk in tomorrow's dreams
These worlds are simple and life it sprinkles
We even live in ourselves
We live our story to find out glory, the fame that's
running in our hands

But if you lose that, we'd better realise
Reach out in and out the preachers wander 'round
'Cause my baby's crying and I'm not lying
You star wears now our happiness

Yeah yeah yeah are you ready folks, ououoh
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready folks, ououoh
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready now

I wanna be happy, I wanna be healthy
And run in a clean open view
We live our story to find out glory
The fame that's running in our hands, an empty broom
is in our hands

But if you lose that, we'd better realise
Reach out in and out the preachers wander 'round
'Cause my baby's crying and I'm not lying
You star wears now our happiness

Yeah yeah yeah are you ready folks, ououoh

Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready folks, ououoh
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready now

'Cause my baby's crying and I'm not lying
You star wears now our happiness

Yeah yeah yeah are you ready folks, ououoh
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready folks, ououoh
Yeah yeah yeah are you ready now
Yeah yeah yeah are you ready now
