Never Gonna Stop (Giving You Love)
Written by Darron Moore

Darron Moore and the 14th Floor /From the Album:
Love's Fight

Verse
Say baby how are you
Been so long since we kicked it
Your love's my addiction
Keeps me going crazy

Baby the look in your eyes
Makes me lose control
Let me feel the heat of your love Iâ...
It captures my soul

I just can't believe it
Got my mind in a swirl
Taking me up and down
Rocking my world

Place your arms around me
Go deeper in my heart
Let me feel the heat of your love Iâ've
Loved you from the start
Hey hey hey hey

Chorus
Never gonna stop this feeling
Ain't gonna stop today
Oh girl
Never gonna stop giving you love
Baby it's you and me now
It's you and me
Sitting on top of the world
Never gonna stop giving you love

Verse
Woke up this morning
A smile was on your face
Sunlight on your pillow

Welcome to this place
Can't escape this feeling
I'm a prisoner of love
Let me feel the heat of your love I'm
Out of control
(I've been watching you)
I've been watching you
(You've been watching me)
Ooooh whooaahh oooohhhh
(We've been watching we)
You been watching we
(Eternally)
Eternally

Chorus
Never gonna stop this feeling
Huh huh (Never)
Ain't gonna stop today
Today (Never)
Never gonna stop giving you love
Baby it's you and me now
It's you and me (Never)
Sitting on top of the world
(Never)
Never gonna stop giving you love
Rap:
No never gonna stop this feeling's
What I'm saying
Both in my mind with you
I ain't playing
Deep in my heart
I know you love me
Ring on my finger 'round the family
And I
Never been in love like this
I remember when I wouldn't
Even give you a kiss
I knew you loved me
When you iced my wrist
You knew I loved you
When I washed a dish
And dismissed
All them other cats
That you use to mess with
Lying and the cheating
All that I quit
My love will never end
Cause you have been more than a friend
And I wanna say
You got me feeling this way
And I wanna stay

And be with you every day
Don't know what I'd do
If I wouldn't love you
And if you only knew
I never stopped loving you boo
Never stopped
Loving you boo

Chorus
Never gonna stop this feeling
(Never)
Noooo don't stop it whoaaaoh
Ain't gonna stop today
(Never)
Never gonna stop giving you love
Baby it's you and me now
(Never)
Sitting on top of the world
(Never) On top of the world
Never gonna stop giving you love

I been loving you
And I know what to do
Girl I care

Chorus
Never gonna stop this feeling
Ain't gonna stop today
Never gonna stop giving you love
Baby it's you and me now
(It's you and me)
Sitting on top of the world
(Huh huh)
Never gonna stop giving you love

Never gonna stop this feeling
Ain't gonna stop today
Never gonna stop giving you love
