Dialog

When she's coming home?

Verse

I tried to fight this. I tried to make it happen  
Something's wrong. She won't tell me  
Then she calls said baby we need to talk  
But the words she said still goes through my head she  
said

Chorus

Look baby Im sorry for the way I went about this  
(Sorry Baby)  
{Baby I'm Sorry}  
Believe me when I say  
This left me broken hearted  
(Broken hearted)  
Your touch, your smile, your kiss  
I know I will miss  
But the thing that hurt  
Is we're just friends now  
(We're Just Friends)

Verse

My nights are long. The days go so slow  
(Remembering her)  
But now she's gone  
(Now she's gone)  
It's hard on me. Something I wouldn't believe  
But I guess it's true when a woman's fed up  
She's through. She Said

Chorus

Look baby Im sorry for the way I went about this  
(Sorry Baby)  
{Baby I'm Sorry}  
( Oou ooouu..)  
Believe me when I say  
This left me broken hearted  
(You left me broken hearted)  
Your touch, your smile, your kiss  
I know I will miss  
(Oh)  
But the thing that hurt  
Is we're just friends now  
(I'm sorry baby)  
Look baby Im sorry for the way I went about this  
(I'm sorry baby)  
{Baby Im sorry}  
Believe me when I say  
This left me broken hearted  
(OOOOOOOOO)  
Your touch, your smile, your kiss  
(Your smile)  
I know I will miss

(Your kiss)  
But the thing that hurt  
Is we're just friends now  
Now she's gone

#### Dialog

I know I made some mistakes  
You made some too  
Why don't we sit down  
And talk about this  
Cause you see  
I don't wanna be no friends  
I got your back  
You got mine  
So lets stop talkin'  
About this friends  
Come on girl  
Let's put this back together again

#### Chorus

(Baby I'm Sorry)  
{Baby I'm Sorry}  
  
( Oou ooouu..)

Believe me when I say  
This left me broken hearted  
(You left me broken hearted)  
Your touch, your smile, your kiss  
I know I will miss  
(Oh)  
But the thing that hurt  
Is we're just friends now  
(I'm sorry baby)  
Look baby I'm sorry for the way I went about this  
{Baby I'm sorry}  
(I'm sorry baby)  
(I'm sorry baby)  
Believe me when I say  
It left me broken hearted
