What A Woman. What A Night.
Written by Darron Moore

Darron Moore and the 14th Floor /From the Album:
Love's Fight

Chorus:

What a woman. What a night.
Oh what a woman.
What a woman. What a night.
Oh mystery woman...

Verse.

Welcome to reality
Where my mind is right
And my spirit's free
It's just a fantasy
You are the one for me
I hope you're getting this love girl I'm feeling
The sweetness of your love
Oooh I crave so much
Who we are and where we are going
We fell in love
Our hearts are knowing
We're not just wanderers
With no direction in site
It was a beautiful night when we made love
Chorus

Verses

So it's a fantasy
It feels so real to me
So deep in my heart you are apart of me
I gotta believe it cause I never even thought of it
Never even wanted it
Never even dreamed of it
Never mentioned it
I saw that girl
I never spoke to her
That changed my life
I feel in love
My heart is torn
She don't exist

Chorus

Bridge

What a woman what a night ooooh what a woman.

What a woman what a night ooooh what a woman.

It's a fantasy

She don't exist

Still I'm feelin' this

Chorus/add lib

It's just a fantasy

She don't exist

Still I'm feelin' it.
