You came  
Came at a time when  
When I would hurt myself  
With blades and microwaves  
I would break my brain  
Go for gold but go insane  
Went against my grain

You came  
Came at a time when  
Nobody looked my way  
I had too much to prove  
And just you to lose  
Set you up against my muse  
Thought I had to choose

You can wait till I'm better  
Just don't stay  
Say that it's dharma  
I won't pray  
Swear it's not over  
Just don't stay

You came  
Came at a time when  
When I was lost, LOST  
I did not know tomorrow  
Was not enough  
Tried to stop your bleeding heart  
I did not know love

You can wait till I'm better  
Just don't stay  
Say that it's dharma  
I won't pray  
Swear it's not over  
Just don't stay

You came  
Came at a time when  
When I would hurt myself  
With blades and microwaves

I would break my brain  
Go for gold but go insane  
Went against my grain
