I guess we know it's time to go
Fells like everything I say is getting old
And it's screaming through my veins,
Singing through my bones,
You gotta know
When to close the show, it's time to go

You're so scared I'll leave you cold
Worry every single day you'll die alone
Well I love you more than life,
It's just deep down in my soul,
I can't outgrow
That holy road,
It's time to go

So
Oh keep sighing
And oh keep crying
And oh keep dying,
Till we meet again.

Maybe this is Peggy's fault
Waiting for her ship to come
On L.A.'s clock
And she'll wait until she dies
With one pound left to drop,
But we know
It never shows,
It's time to go

So
Oh keep sighing
And oh keep crying
And oh keep dying,
We will meet again
