You've been sent an invitation, the writing's on the wall  
You know it's gonna be a party, the biggest of them all

We're here to rock for you and make the message  
known  
And if you've got the guts, we'll show you the way  
home

Are you ready ? You've been summoned to this  
moment  
A heavenly decree, it's not by chance or fate that

You are here to see, you're looking for an answer  
To your life's regrets, the answer's clear to see  
Are you ready to be set free ?  
He died for you and me, take his hand and you will see  
That your past and all your cares will fade away

You thought there'd be no happy endings but now you  
know the truth  
There's nothing left but pride to stop you

The love of god's come through, tonight's the night for  
your salvation  
You know what you must do, just give your life to christ  
And see his power to renew - Are you ready ?
