Well I'm gonna tell ya a little story  
About a man named lucifer  
He is the master of deception  
And he wants to see you burn  
He's got the power in him to make the evilness to come  
out  
And I tell you this my friend

[CHORUS:]  
Master of lies  
Master of lies  
Lies

That evil man won't rest until he's done his evil deed  
for the day  
He'll take away your pride then he laughs as he walks  
away  
He's got you thinking that everything that you do is OK  
and right  
The choice is yours my friend beware

Master of lies  
Master of lies  
Lies

Now just remember what I told you  
About this man and what he does  
The choice is yours my friend

Master of lies  
Master of lies  
Lies
