"Kill Me"

So much anger - against me

Still I stand

Unto my savior - you deny

You follow the lÃe

Here am I confronting you

With the truth you perverted

The puppet on a string is you

So go ahead like you desired

I am not afraid - to die

Burn me, stab me, drown me, crucific me - to death

You're the slave - not me

Slaved by the lie

You're the one - who'll die

Dying for all eternity

The lie swallowed your soul
