Love has a strange way of finding out
Everything in your heart
Strangest of all is you never know
Just what it is that's tearing you apart

Seasons may pass, summers come and go
Dreams flashing through your mind
Love is something that you dream about
Something that you left behind

Better run home, girl, as fast as you can
Come home, girl, while you still can
Run home, girl, as fast as you can
Because someone's gonna be waiting
When you get home

Never known love burn so bright
Little girl could have been so right
We could have been so happy
I won't be there

Sing it, better run home, girl, as fast as you can
Come home, girl, while you still can
Run home, girl, as fast as you can, you can
Someone's gonna be waiting
When you get home

Love has a strange way of turning round
When happiness turns to pain
Something that you thought you had has gone
And somehow things will never be the same

That hurt gets so bad as the days go by
A hurt that no drug can cure
There's only one thing that can satisfy
There's just one thing I'm longing for
I'll never needed it no more

Better run home, girl, as fast as you can
Come home, girl, while you still can
Run home, girl, as fast as you can
Because someone's gonna be waiting

Better run home, girl, as fast as you can
Come home, girl, while you still can
Run home, girl, as fast as you can
Because someone's gonna be waiting

Someone's gonna be waiting
Someone's gonna be waiting
When you get home

Better run home, girl, come home, girl
Better run home, girl, come home, girl
