album: Covergirl (2002)

Remembering me, discover and see,
All over the world, she's known as a girl,
To those who are free, their minds shall be keep,
Forgotten as the past, 'cause history will last.

God is a girl, wherever you are,
Do you believe it, can you receive it,
God is a girl, whatever you say,
Do you believe it, can you receive it,
God is a girl, however you live,
Do you believe it, can you receive it,
God is a girl, she's only a girl,
Do you believe it, can you receive it?

She wants to shine, forever in time,
She is so driven, she's always mine,
Clearly and free, she wanted to be,
A part of the future, a girl like me,
There is a sky, ILLUMINATING us,
Someone is out there, that we truly trust,
There is a rainbow, for you and me,
A beautiful sunrise, eternally.

God is a girl, wherever you are,
Do you believe it, can you receive it,
God is a girl, whatever you say,
Do you believe it, can you receive it,
God is a girl, however you live,
Do you believe it, can you receive it,
God is a girl, she's only a girl,
Do you believe it, can you receive it?
