Today I drove through this ol' town  
Took a real good look around  
Saw a lot of things  
That I'd never seen before

An older couple holding hands  
Young lovers picking out wedding bands  
Things I'd never noticed  
Until my eyes met yours

Now I'm seeing things, I've never seen  
Dreaming dreams, I've never dreamed  
There's been such a change in me  
Since I felt your touch

And everywhere I go it seems folks  
Can't get close enough  
Is the whole world in love  
Or is it just us

When you walk with your head down  
All you see's the cold hard ground  
But I looked up in time  
To catch a glimpse of you

If everyone on God's green earth  
Knew true love and what it's worth  
They'd know how I'm feeling  
And share my point of view

'Cause I'm seeing things, I've never seen  
Dreaming dreams, I've never dreamed  
There's been such a change in me  
Since I felt your touch

And everywhere I go it seems folks  
Can't get close enough  
Is the whole world in love  
Or is it just us

And everywhere I go it seems folks  
Can't get close enough

Is the whole world in love  
Or is it just us  
Is it just us
