People say I?m a crazy son of a gun
'Cause I make me a couple of a million, never saved
one
I don?t ever buy green bananas, don?t believe I?ll ever
leave Savannah
I don?t worry about tomorrow 'til it comes

I?m just living in the here and now
High on life getting by somehow
Laughing and talking and drinking it up
I ain?t got enough time for thinkin' too much

Today is another beautiful day
I got the wind in my hair, the sun on my face
Tomorrow can?t bring me down
'Cause I?m living in the here and now

My pickup runs like a top and it's ten years old
And my boots fit just like a glove and my beer is cold
My friends all love me just the way that I am
Yeah, they're cool with the fact that I don?t give a damn
Next week, next month, next year, hell who knows

I?m just living in the here and now
High on life, getting by somehow
Laughing and talking and drinking it up
I ain?t got enough time for thinking too much

Today is another beautiful day
I got the wind in my hair, the sun on my face
Tomorrow can?t bring me down
'Cause I'm living in the here and now

Yeah, today is another beautiful day
I?ve got the wind in my hair, the sun on my face
Tomorrow can't bring me down
'Cause I?m living in the here and now
In the here and now

Yes, I?m living in the here and now
Right now, right now, right now
(I'm living)

I'm finally living, oh, I'm finally living in the here and
now
(I'm living in the here and now)
Yeah, I'm living in the here and now
