if only here the night before
and now i?m coming back for more
dirty thoughts run through my mind
i cant stop myself this time
i wanna get close, do you like how i move
yeah, baby you know
i wanna make love to you

out of control
you're makin' me, makin' me, makin' me
out of control
keep takin' me, you takin' me, you takin' me

i?m ?knocked away?
when i take you with me
desire to escape
boy your love?s all i need

out of control
you're makin' me, makin' me, makin' me
out of control
keep takin' me, you takin' me, you takin' me

here we got some crazy love
i can hear you, what you want
fantasize the lasting time
only you can free my mind

i?m ?knocked away?
when i take you with me
desire to escape
boy your love?s all i need

you're makin me, makin me, makin me
keep takin me, you takin me, you takin me
out of control

(babe, yeah he yeah)

(come on, come on)

(yeah, out of control)

i?m ?knocked away?
when i take you with me
desire to escape
boy your love?s all i need

out of control
you're makin' me, makin' me, makin' me
out of control
keep takin' me, you takin' me, you takin' me
