Slow Dancing With A Memory
(Darryl Worley/Wynn Varble/Don Poytrhress)

He walked into Dusty's place last night
I said something 'bout that boy ain't right
He drank a half a dozen double shots
Walked to the dance floor and picked his spot

Chorus:
Then he closed his eyes and he dropped his head
Folded his arms across his chest
Slowly started swaying side to side
That's when I walked up and said are you ok
He had big old tears rolling down his face
He said not right now, buddy can't you see
I'm slow dancing with a memory

I just waited till the song was through
Asked if there was something I could do
He said not unless you can bring her home
Then "He Stopped Loving Her Today" came on

Repeat Chorus:

I hate to see somebody down that low
But that's the way life is and the way love goes
Someday that just might be you or me
Slow dancing with a memory
Slow dancing with a memory
