Worked all week, got it all done  
Let's make the Tennessee River run

Hey Everybody I think the time is right,  
Let's get together down where the catfish bite.  
Cooped up all winter, Waitin' on a day like this.  
It's the way I feel, when I'm rockin' on the water  
Baby that I can't resist

BBQ grill, summertime jams  
Just about a mile up the Pickwick Dam  
Party on the water, whole lotta fun  
Time to make a Tennessee River run

I'll get my bassboat, crank up your party barge  
We'll drop these anchors, out where the big boats are.  
Break out a cooler, pass out some ice cold beer  
Look at all the people out here on the water  
Man I can't believe we're here.

Swingin' on a rope, gonna have a ball  
Jumpin' off the Yellow Creek waterfall  
Checkin' out the honey's, bakin' in the sun  
God bless a Tennessee River run

(2 Times)  
Doo- Dee- n- Doo- Dee  
Doo- Dee- n- Doo  
Doo- Dee- n- Doo- Dee  
Doo- Dee- Doo- n- Doo

Oh what a weekend, we've had some time to play  
I should be leavin', tomorrow's a work-week day  
I just might call in, tell 'em that I can't get home  
Does anybody else wanna stay a little longer,  
Or am I gonna be alone?

Floatin' on a tube, gonna weigh a ton  
Cajun sausage on a hot-dog bun

BBQ grill, summertime jams  
Just about a mile up the Pickwick Dam

Party on the water, whole lotta fun  
Gotta have a Tennessee River run

(2 Times)

Doo- Dee- n- Doo- Dee

Doo- Dee- n- Doo

Doo- Dee- Doo- n- Doo

Nothin' like a Tennessee river run

I love a Tennessee River run

Whoop up a Tennessee River run
