So you sailed away
into a grey sky mourning
Now I'm here to stay
love can be so boring
And nothings quite the same now
I just say your name now

[Chorus]
It's not so bad
you're only the best I ever had
You don't want me back
You're just the best I ever had

So you stole my world
now I'm just a fony
Remembering the girl
leaves me down and lonely
We'll send it in a letter
make yourself feel better

[Chorus]
It might take sometime to
catch me up inside
but I can't take it, so I
I run away and hide
I might find in time that
you were always right (you were always right)

So you sailed away
into a grey sky mourning
Now I'm here to stay
love can be so boring
Was it what you wanted
could it be I'm haunted

[Chorus]
You're just the best I ever had
