Ridin like fire, I am destined for the sun,  
Always been swift, and forever on the run,  
I am wind, try and hold me if you can,  
Walk my way, and I'll take you by the hand.

Sired by fire, I'll warm the blood within your veins,  
Don't look back, cause I'll be there then gone again,  
You can love me, and hold me if you can,  
Walk my way, and I'll take you by the hand.

(chorus)

I am spirit, a shadow in the night,  
Softly wis-per-ing, on your candle light,  
Dancing on your walls, a troublesome delight,  
So vivid in your mind.

Older than time, i'll make you young and strong again,  
I can protect you, and i can be your friend,  
Rest upon my hearth, i'll warm your weary sole,  
Try and hold me, like a whisper i will go.

(chorus)
