You Had Me From Hello
One word, that's all was said,
Something in your voice called me, turned my head.
Your smile captured me,
You were in my future as far as I could see.
And I don't know how it happened, but
it happens still.
You ask me if I love you, if I always will

Well, you had me from "Hello"
I felt love start to grow the moment I looked into your
eyes,
you won me; it was over from the start.
You completely stole my heart, and now you won't let
go.
I never even had a chance you know?
You had me from "Hello"

Inside I built a wall so high around my heart, I thought
I'd never fall.
One touch, you brought it down
Bricks of my defenses scattered on the ground
And I swore to me that I wasn't going to love again
The last time was the last time I'd let someone in

Well, you had me from "Hello"
I felt love start to grow the moment I looked into your
eyes,
You won me, it was over from the start.
You completely stole my heart, and now you won't let
go.
I never even had a chance you know?
You had me from "Hello"

That's all you said
Something in your voice calls me, turns my head
You had me from "Hello"
You had me from "Hello"
Girl, I've loved you from "Hello"
