Got to find out what I meant to you  
You're the one who broke my heart  
Got to find out what I meant to you  
You're the one who broke my heart  
When I met you boy  
You were as sweet as cherry pie  
That smile in your eye  
You were as wild as friday night

I should have known  
However hard you tried  
Change would come and strangle it  
It was bound to die

You were sweet as cherry pie  
Wild as friday night  
Sweet as cherry pie  
Wild as Friday night

Gotta find out what I meant to you  
Your the one who broke my heart in two  
Gotta find out what I meant to you  
Oh Boy

Gotta find out what I meant to you  
Your the one who broke my heart in two  
Where were you just when I needed you

You gave me your soul  
For at least a day  
Listen boy there was a time  
When I wanted you to stay

You knew the cost  
It's you who's gonna pay  
I'm stronger now I loved you then  
I ask you anyway

You were sweet as cherry pie  
Wild as friday night  
Sweet as cherry pie  
Wild as friday night

Gotta find out what I meant to you  
Your the one who broke my heart in two  
Where were you just when I needed you  
Boy

Gotta find out what I meant to you  
Your the one who broke my heart in two

Ooh I needed you

Baa do do do do, do do, baa do do do  
Baa do do do do, baa do do do

Baa do do do do, do do, baa do do do  
Baa do do do do, baa do do do

You were the only one you were the only one  
You're a son of a gun  
You were the only one you were the only one  
Oh Boy, you broke my heart

Sweet as cherry pie  
Sweet as cherry pie

Gotta find out what I meant to you  
Your the one who broke my heart in two  
Gotta find out what I meant to you  
Oh Boy

Gotta find out what I meant to you  
Where were you just when I needed you  
Gotta find out what I meant to you  
Boy

Doo doop doo doop  
Doo doop doo doop  
Doo doop doo doop  
doo doo doop doop doop  
doo doo doop doop doop  
Where were you when I needed you

You were the only one you were the only one  
ooh, son of a gun  
You were the only one  
I'm feeling stronger now I loved you then  
So I ask you anyway

Gotta find out what I meant to you  
(sweet as cherry pie) You broke my heart  
(sweet as cherry pie)

Gotta find out what I meant to you  
You tease me

You were the only one you were the only one  
(as cherry pie)  
Son of a gun  
You were the only one you were the only one
