In Heaven's name, why are you walkin' away?  
Hang on to your love  
In Heaven's name, why do you play these games?  
Hang on to your love

Take time if you're down on luck  
It's so easy to walk out on love  
Take your time if the going gets tough  
It's so precious

So if you want it to get stronger, you'd better not let go  
You've got to hold on longer if you want your love to  
grow  
Got to stick together, hand in glove  
Hold tight, don't fight  
Hang on to your love

In Heaven's name, why are you walkin' away?  
Hang on to your love  
In Heaven's name, why do you play these games?  
Hang on to your love

Be brave when the journey is rough  
(Be brave)  
It's not easy when you're in love  
Don't be ashamed when the going gets tough  
(Be brave)  
It's not easy, don't give up

If want it to get stronger, you'd better not let go  
You got to hold on longer if you want your love to grow  
Got to stick together, hand in glove  
Hold tight, don't fight  
Hang on to your love

In Heaven's name, why are you walkin' away?  
Hang on to your love  
In Heaven's name, why do you play these games?  
Hang on to your love  
(Da da di da da da da di da da, di da da)  
(Da da di da da da da di da da, di da da)

(Da da di da da da da di da da, di da da)  
(Da da di da da da da di da da, di da da)  
So if want it to get stronger, you'd better not let go  
You got to hold on longer if you want your love to grow  
Got to stick together, hand in glove  
Hold tight, don't fight  
Hang on to your love

In Heaven's name, why are you walkin' away?  
Hang on to your love  
In Heaven's name, why do you play these games?  
Hang on to your love

When you find a love  
(Hang on to your love)  
Don't let it walk away  
(Hang on)  
Oh when you find your love, you got to make it stay  
(Hang on to your love)  
(Hang on)  
(Hang on to your love)  
Don't let it walk away  
(Hang on)  
Oh when you find your love woo, you got to make it stay  
(Hang on to your love)  
(Hang on)

You've got to hang on to your love  
(You've got to)  
(To your love)  
You've got to hang on to your love  
(You've got to)  
(To your love)  
(Hang on)  
Why are you walkin' away?  
(Why are you walkin' away?)  
(Hang on)  
Why do you play these games?  
(Why do you play these games?)  
Hang on to your love  
(Da da da de da da da da da de da da da)  
Hang on to your love  
Hang on to your love  
(Da da da de da da da da da de da da da)  
Hang on to your love
