I am in the wilderness
You are in the music
In the man's car next to me
Somewhere in my sadness
I know, I won't fall apart completely

When I need to be rescued
And I need a place to swim
I have a rock to cling to in the storm
When no one can hear me calling
I have you, I can sing to

And in all this
And in all my life

You are the lovers rock
The rock that I cling to
You're the one
The one, I swim to in a storm
Like a lovers rock

I am in the wilderness
You are in the music
In the man's car next to me
Somewhere in my sadness
I know, I won't fall apart completely

And in all this
And in all my life

You are the lovers rock
The rock that I cling to
You're the one
The one, I swim to in a storm
Like a lovers rock

You are the lovers rock
The rock that I cling to
You're the one
The one, I swim to in a storm
Like a lovers rock

When I need to be rescued you're there
When I need a place to swim to in a storm
I sing to you

And all my life
And in all my life

You are the lovers rock
The rock that I cling to
You're the one
The one, I swim to in a storm
Like a lovers rock
