I heard that you been with that girl again, boy
Don't you know I can only take so much pain, yea
It's plain to see, ooh, what you're doing to me,
I I can only take so much pain

You've been sneaking around I'm told,
Why am I the last to know
Listen, when I say

Should I love you like I do,
I'd like to leave but I'm unable to,
Should I love you like I do,
Listen boy I'm talking to you

I can give you a lifetime of desire,
I can yeah,
Sweep you sweetly as a breeze on a hot summer night,
oh yea

It's plain to see, ooh, what you're doing to me,
I I can only take so much pain...
I'll help you every inch of the way
Through the dark and through the day,
Oh listen when I say

Should I love you like I do,
I'd like to leave but I'm unable to,
Should I love you like I do,
Listen boy I'm talking to you

I can feel you slippin' away
Don't hurt me again
I can't stand the pain
Oh listen, when I say

I've been thinking a lot about you
Should I love you like I do
I'd like to leave but I'm unable to,
Listen boy I'm talking to you

I've been thinking

I've been thinking a lot about you

Oh don't hurt me again boy

I need you

Should I love you like I do

Should I love you like I do

Should I love you like I do

Should I love you like you love me

Listen to me I'm talking to you
