"Skin"

When I found out this love's undone
I was like a gun
Sure as it was over
Felt like nothing good could come
Sure as it's gonna play and play
Like Michael back in the day
I'm gonna peel you away
Now as I begin
To wash you off my skin
I'm gonna peel you away
Cos you're not right within
I love you so
Sometimes love has to let go
So this time don't think it's a lie
I say goodbye
Now as I begin
To wash you off my skin
I'm gonna peel you away
Cos you're not right within
Now it's time
To wash you off my skin
Now as I begin
It couldn't be right cos you're not right within
I say goodbye
