[Chorus]

I know you want to  
You wanna get with me  
To bring me to my knees  
You think it's gonna be easy  
Oh no  
I ain't that easy type  
Sorry, if that's what you like  
I'm calling shots tonight

[Verse 1]

Sorry, if i got you wishin and missin  
Before you even get it  
You dont get it  
But, its pretty simple, you dont meet my issues  
Sorry, for being, everything you want and more  
But, boy its not my fault  
I've been what you waitin for

It's real unfortunate, that you'll never forget...Me.  
And I'll never forget, how you brought me to your knees

[Chorus]

I know you want to  
You wanna get with me  
To bring me to my knees  
You think it's gonna be easy  
Oh no  
I ain't that easy type  
Sorry, if that's what you like  
I'm calling shots tonight

You know you like this flow, and how it moves (left to  
right)  
But, you aint gettint his tonight  
Take it easy, take it easy, take it easy

[Chorus]

I know you want to  
You wanna get with me  
To bring me to my knees  
You think it's gonna be easy

Oh no  
I ain't that easy type  
Sorry, if that's what you like  
I'm calling shots tonight
