GOD GAVE ME THE BLOOD, the color is deep red.  
Because to choose the life and the death by yourself.  
The nightmare starts now.  
The sadness starts here.  
TERROR SOUNDS ECHO IN THE BRAIN.  
Therefore, the wound was repeated every day.  
There is no pain. Give me a voice.  
There is no fear. Give me a shock.

ROAD OF DEATH  
Show me a real. Show me a lie.  
What can you find in the world where it was finished to  
rot ?  
Tell me a way. Tell me a place.  
Is the escape of darkness found if it does very ?  
(To our regret the answer is not here.  
It's true that there begins to be a struggle by yourself.)

I LOST MY BREATH.  
I WILL FALL ASLEEP FOREVER HERE.  
Subete no houkai kosogakokoni umare ta shinjitsu da  
Seizon no genkai boukansha kosogasoreni me wo  
somuke ru jakusha da

Kudake chiru sakebi zangyaku no geemu gaisu  
reba mei bakarino strange shadow  
THE CRIME GETTIN' OUT.  
PLEASE DIE AND GO HELL  
Sogai , zetsubou no iya nen furi kagisu seimei no black  
ocean  
RIGHT NOW, DESTROY THEM.  
JUST CLOSE YOUR EYES.

Oi , kan koeruka ? Nanika wo kyozeitsu shi , kanashi mi  
seou haijin tachiyo  
Kokoni tsudo shi iki ta koe kosogao mae tachino  
ibasho , deathtopia da  
Subete wosarake dashi ima koso sonzai wo shoumeishi  
ro .  
Kokode wa shina senai . Kokogao mae tachino rakuen  
dakara .

Burst Destroy Craze your brain Give me your death
