### "grieving the dead soul"

Visit "[grieving the dead soul](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Grow back dead soul.

Grow back fuck the dead soul.

Can you be proud of your mind?

We can stand again,

it breaks our rotting heart.

Can you hate yourself again?

I can not erase this from me now again.

I know that. I can't kill you.

you know that you can't kill me too.

The past is real.

So you can show pain me.

deadly soul... checkmate

kazashita yubi ha taiyou kareki niha hai subete wo saka  
seru

souzou shita sekai ha sukue nai arisama ka

deadly soul... checkmate

sonzai ha jiyuu ronsou toriyame nonai ranhansha  
mousou

rakutan suru mirai ni saiwaa re yue kakumei wo

Taking the sadness. Breaking the mirror.

daremo shira nai sekai de

koe kara shi naki kuzure ta hohoemi wo

Calling the loser. Cutting the blue heart.

enda kurushi mito tsumi wo koware teiku risei  
hamounai

ayamachi wo yurushi soshite nin wo aisu ru tsuyoki

kokoroha

mie nakatta mono wo mise tekureta hibiku kyoumei

hontou no tsuyosa mise rareta kokoro wo utsusu

subete

What's up? Why not?!

You just keep on screaming and destroy.

Taking the sadness. Breaking the mirror.  
daremo shira nai sekai de  
koe kara shi naki kuzure ta hohoemi wo  
Calling the loser. Cutting the blue heart.  
enda kurushi mito tsumi wo koware teiku risei  
hamounai

nageki wo toi yami ni furue daremo aise nainonara  
nanimu kamosubete wasure te motome tekurebaii  
hitsuyou nara ore no koe mo kusatta chi mo namida mo  
subete  
kiko eteruka kiko eteruka iki teruka
