You're my only eternity so I could live and alive here.
Please, tell me what you see
I close my heart ever.

Dareka dareka to sugaru yukiba no nai sobieru rinen
wa matenrou
Douka douka to negau inori wa mata shizukesa
zankokusa ni kiete itta
Ano hi ano basho toki ga wasuresaseru koto nado
shinjirarenai
Inochi kakete to chikatta kotoba wa uso mou nidoto
hikari wa mienai

What's the reason crying ? How can you feel ?
Why do you die ? The answer is nowhere.
You just keep on live. The days come true.
I'll believe.

Hohoemi shihai shita dareka
ga kuruoshii kanashimi shihai shita ame ga hakusha
kaketa
Kokoro to anata dake ima wa mou
kayowanai kokoro to anata dake sayonara ga kikoeta

Ibasho, kodoku, kagi no nai doa, yowasa.
Yami, ai, sukui no kotoba.
Subete ga mawaru uzumaku riyuu wa naze ?
Shihai ni kono mi wo sasageta

What's the reason crying ? How can you feel ?
Why do you die ? The answer is nowhere.
You just keep on live. The days come true.
I'll believe.

Suri garasu ni utsuru doshaburi toori ame suri garasu

Ichido dake tsutaeta kimi no gisei

Ichibyou de ii kara ano hi ni kaeritai ichibyou
