My ambition collapsed and left.  
Others obstructed me.

One of dead daiya no medama  
Two of dead shini kami no doresu  
Three of dead bitoku to tawamure  
Four of dead ii narino enjieru

Shinka sureba taikan wa buruu  
Jouzetsu na beast woman  
Kousa sureba kageki na ten wa ichi do  
Taika sureba sonzai wa LOST  
Joutou na bravest man  
Douka sureba muimi na kenkai waasuto

Dive into the dark,into the pain.  
Hangyaku teki mazohisuto dancing  
Strip na sutoorii  
Dive into the dark,into the pain.  
Shin kankaku romanchisu dreaming  
Starlight na suta dasuto

YEAR ! LOOSING MY WAY OF THE PROUD.

Kokoni renkei sudeni reiketsu maba yuiba karino yoku  
shuuketsu  
Geki ki chigae ta misute iku ni warai  
Daki kakaeta riguretsuto

Sore wa teisetsu yagate keibetsu deshaboru yakara  
yatsu ga enzetsu  
Tokiaka shita shinsou no nakani  
Yakitsuku shita my soul
