"Payment Of Vomiter"

The reality drives me mad.
No one can trust it.
Tell me all the reasons.
Something might be broken.
The past threatens me.
I want to erase the memory.
Give me pain and sadness.
Cause I can become well.

I can't save me... I can't breath you.

Who are you? Destroy them. I'm cruel.
Break into the mad
Who are you? Destroy them. I'm cruel.
Break into the mad
Who are you? Destroy them. I'm cruel.
Break into the mad
Who are you? Destroy them. I'm cruel.
