Itsu no ma ni ka utsukushisa minikusa ga wakaranakute
Shiroi yami to kuroi hikari no hazama de samayotte
Omoi tsunoru konton no imi wo dareka ga oshiete
Fukaku shizumu nemuri wa kotoba dake de wa
mezamenai

Slow down, deep sin glow up in my head day by day
I want to destroy it then
Gekidou no naka ni ikiru mono wa haitoku no
bi ni sugaru yakara ka boppatsu ga uneru jidai no ura
Shikabane ga utau

Kono te ni aishita mono ga hanareteku
Doredake tsuyoku motomete sakende mo
Ano koro no mama de ano basho no mama de
itsukushimi hora

Keep on calling. You know my heart
The days don't come here never end

Calling my back side dareka wo motomete wa
Calling my back side samayou koe ga naku
Calling my back side mienai ashita ni tada
Calling todokanakute kowareru kurai ni Regret by the
distance

Kiete shimau tomoshita shinjitsu sa wo terasu hikari
Saido negau toki no suna ato sukoshi, iki taeru

Slow down, deep sin glow up in my head day by day
I want to destroy it then
Gekidou no naka ni ikiru mono wa haitoku no
bi ni sugaru yakara ka boppatsu ga uneru jidai no ura
Shikabane ga utau

Ashita no yoru ni wa hana ga sakimasu ka ?
Chiisana inochi ikite imasu ka ?
Amenochi ame demo kokoro wa haremasu ka ?
Chiisaku tsubuyaku

Keep on calling. You know my heart

The days don't come here never end

Calling my back side dareka wo motomete wa
Calling my back side samayou koe ga naku
Calling my back side mienai ashita ni tada
Calling todokanakute [kowareru kurai ni Regret by the
distance]

Osanai toki no me ni utsuru ai
Tokiori mune wo kogasu
Saigo ni nokoru chiisana tane wo jidai no kaze ni
nosete
Kurushii kurai ni Regret by the distance
