WILL I JUST FALL TO PIECES?

Gishinanki ni obieta kokoro ga karada o kizandeku

I CARVE WHILE MAKE A SOUND

Wakaranai mama nagasareteyukeba raku ni nareru no

ka kudaranai

IT IS TOTALLY WORTHLESS REASON, WORHTLESS

REASON IS DISREGARD

I KEEP HESITATING BEFORE

mezato buta ga honnou no mama ni hokorashige ni tou

IS A BETRAYER YOU?

kyogen ni karare tomadou sugata o waratterundarou

nanisama da

DISPAIR WITHOUT DISTURBING, YOU THINK OF YOUSELF

SOMEBODY

Sayonara itoshiki anata e kokou no hate de ore ha

warau

Sarakedashita ishi o idaki utae kagen no moto

Modorenai kako o furikitte kodoku no yami ni

kuruihateru

Nozomi toori no shuen daro? Riyuu nado iranai

Dore dake hito ni aisarereba kigeki no naka de ora ha

nakeru?

Enjikitta tsumi o wasure sora o miageta,

I LOOK DOWN SOMETIME

THEREFORE I LEARN IT AND BECOME LOSE

Toki ga tateba wasureru sa taisetsuna mono ha suna ni

kieta

BECAUSE NOBODY IS BELIEVED, I LIVE WITH MALICE

AND HATRED
