His world is suddenly filled with action, simplicity
There is no light but there is sand, it fills him great
sluggish waves
Not held but felt through this hundred cells, the cells
pulse, separate
Contract according to the rush of blood
This is now the basis of his being, the flow is in his
blood

I can feel the beat
Feel the beat
Feel the beat
Feel the beat
Feel the beat
Feel the beat
Feel the beat
Feel the beat
Feel the beat
