album: Covergirl (2002)

Remembering me, discover and see,  
All over the world, she's known as a girl,  
To those who are free, their minds shall be keep,  
Forgotten as the past, 'cause history will last.

God is a girl, wherever you are,  
Do you believe it, can you receive it,  
God is a girl, whatever you say,  
Do you believe it, can you receive it,  
God is a girl, however you live,  
Do you believe it, can you receive it,  
God is a girl, she's only a girl,  
Do you believe it, can you receive it?

She wants to shine, forever in time,  
She is so driven, she's always mine,

Clearly and free, she wanted to be,  
A part of the future, a girl like me,  
There is a sky, ILLUMINATING us,  
Someone is out there, that we truly trust,  
There is a rainbow, for you and me,  
A beautiful sunrise, eternally.

God is a girl, wherever you are,  
Do you believe it, can you receive it,  
God is a girl, whatever you say,  
Do you believe it, can you receive it,  
God is a girl, however you live,  
Do you believe it, can you receive it,  
God is a girl, she's only a girl,  
Do you believe it, can you receive it?
