Saw you last night but you didn't see me  
Should have left real fast but I stayed all night long  
Tried to get an idea of what's goin' on  
But the more I tried the more I found

It's a mystery to me, it's a mystery to me  
It's a mystery to me, such a mystery to me

I know it ain't black or white but I can't see no grey  
Can't see anything at all not a trace along the trail  
To show me the way to the secret map  
I need to search in the wild look all over the world

It's a mystery to me, such a mystery to me  
It's a mystery to me, still a mystery to me  
It's a mystery to me, yes it's a mystery to me  
Such a mystery to me, you're a mystery to me

Still a mystery to me, it's a mystery to me  
It's a mystery to me, still a mystery to me  
It's a mystery to me, it's a mystery to me  
It's still a mystery to me, you are a mystery to me

It's a mystery to me, it's still a mystery to me  
It's a mystery, you are a mystery to me  
It's a mystery to me, it's a mystery to me  
It's still a mystery to me, you are a mystery to me
