Lyrics : Constantine

I'll Stay

Do it
Push reset
You should go
What to forget
With what little you

Know

At this crucial time
On this side of the species
We need bodies that rhyme
When our souls are in

Pieces

Let your hands remain
And I'll stay

All the calls back

And the don't call me's
I will hold on
For the

Real me
For the real me

Let your hands remain
And I'll stay

How could I
ever leave that
Heart, soul and face
You and I
Will walk from this

Place

Let your hands remain
And I'll stay
