Looking in your eyes

I see a memory

Of how it used to be

Before our world came tumbling down

I try, I did nothing else but try

To keep our love alive

Oh how I loved you so

And you just made me cry

Did you deceive me

Did you do me wrong

Boy, I can't take it

Can't take it anymore

I feel so helpless

Not knowing what to do

Do I keep on crying

Or do I leave you

Chorus:

Boy I've been told leaving you is the thing to do

It would be easy if I didn't want to start anew

Boy I've been told leaving you is the thing to do

It won't be easy 'cause breaking up is hard to do

Touch this lonely heart

As I try to say to you

About the things you do

Now I'm alone dissatisfied

Did you deceive me

Did you do me wrong

Boy, I can't take it

Can't take it anymore

I feel so helpless

Not knowing what to do

Do I keep on crying

Or do I leave you

Chorus

Just like my friend said

You were never good for me

So just go about your way

Don't worry about me

And just forget we ever happened

The time has come

To say goodbye

Don't ask why

Just let it all go

I've made it through

There's someone new

Chorus(2x)
