Let me be the one, baby

Let me be the one
Let me be the one
Let me be the one
Let me be the one

You don't believe that my love is true
And you said that you were going to
Going to be by my side, baby
So why don't you come and stay with me

Love me, baby and touch me all over
You gotta give me the loving I need
Open your heart, your mind, your soul
Let me be the light, the sun of your dreams

Let me be the one, baby
Stay with you tonight
Giving you all my lovin'
Oh, it can be so

Let me be the one, baby
You give your love too
Let me be the one
Oh, it can be so right

Let me be the one
Let me be the one
Let me be the one
Let me be the one

You let me when
You opened my heart and inspired my needs
Stop, take what you want from me
So why don't you come and stay with me

Love me, baby and touch me all over
You gotta give me the loving I need
Open your heart, your mind, your soul
Let me be the light, the sun of your dreams

Let me be the one, baby
Stay with you tonight
Giving you all my lovin'
Oh, it can be so

Let me be the one, baby
You give your love too
Let me be the one
Oh, it can be so right

Let me be the one, baby
Stay with you tonight
Giving you all my lovin'
Oh, it can be so

Let me be the one, baby
You give your love too
Let me be the one
Oh, it can be so right

Let me be the one, baby
Stay with you tonight
Giving you all my lovin'
Oh, it can be so

Let me be the one, baby
You give your love too
Let me be the one
Oh, it can be so right
