"Thinking Of You"

As I sit
Looking out the window
I can still remember
They call me to tell me
You went away
It was such a cold day

On a sunday morning
It came without a warning
And all the pain I felt inside
I just can't forget you
I'm feeling so alone
Though many times I've tried
I can't get you off my mind

I'm thinking of you
Wonder where you are tonight
I wish that I could hold you tight
I'm thinking of you
Wish you could stay
But you're so far away
So far away

And even though you're gone
I know you're happy
Where you are
I know someday
Will be together
Together again

On a sunday morning
It came without a warning
And all the pain I felt inside
I just can't forget you
I'm feeling so alone
Though many times I've tried
I can't get you off my mind

I'm thinking of you
Wonder where you are tonight
I wish that I could hold you tight

I'm thinking of you
Wish you could stay
But you're so far away
So far away

I know someday
I'll hold you again
You and me together again
But untill that day
I'm thinking of you

I'm thinking of you
I wonder where you are tonight
I wish I could you tight
I'm thinking of you
I wish could you could stay
But you're so far away
I'm thinking of you

Repeat chorus
