You can leave this house, leave this town  
Leave it all to me or you'll never leave the ground  
Look at that tiny screen's too small for you  
I think you should learn to dream just like the dreamers  
do

What can you do with a day?  
What will you wake up and see?  
The farther you get  
The closer to me

Am I the habit you're too tired to break?  
I want you to love me with every step you take

What can you do with a day?  
What will you wake up and see?  
The farther you get  
The closer to me

Taj Mahal, Cameroon, back in time, to the moon  
Frozen lake, cypress trees, Florida's missing keys  
El Dorado, Spain or bust Eiffel Tower, Paris

Just find your way in

You can leave this house, leave this town  
All that's left to chart  
Is nothing less than your own heart

What can you do with a day?  
What will you wake up and see?  
The farther you get  
The closer to me

Down the river, down the road, Little Rock, Tokyo  
Dusty trail, Flagstaff, in a faded photograph  
Thunderstorm, Golden Sands, Cape of Horn, Pakistan  
Suriname, Highway One, Chinatown, smoking gun

Golden Gate, Baltic Sea, Painted Desert, Laramie  
Taj Mahal, Cameroon, back in time, to the moon  
Frozen lake, cypress trees, Florida's missing keys

El Dorado, Spain or bust, Eiffel Tower, Paris  
Just find your way in
