(Ahhh)

If you find me in a gloom

(Ahhh)

Or catch me in a dream

(Ahhh)

Inside my lonely room

(Ahhh)

There is no in between

(Ohhh)

Whispering pines

(Ahhh)

Rising of the tide

(Ahhh)

If only one star shines

(Ahhh)

That's just enough to get inside

(Ahhh)

I will wait until it all goes 'round

With you in sight

The lost are found

Foghorn through the night

Callin' out to sea

Protect my only light

'Cause she once belonged to me

Let the waves rush in

(Oooh)

Let the seagulls cry

(Oooh)

For if I live again

(Oooh)

These hopes will never die

(Oooh)

I can feel you standing there

But I don't see anywhere

Standing by the well

(Standing by the well)

Wishing for the rains
(Wishing for the rains)
Reaching to the clouds
(Reaching to the clouds)
For nothing else remains

Drifting in a daze
(Drifting in a daze)
When evening will be done
Try looking through the haze
(Try looking through the haze)
At an empty house in the cold, cold sun

I will wait until it all goes 'round
With you in sight
The lost are found
