I rode my bicycle past your window last night
I roller-skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone, but you got something I need

Well, I got a brand new pair of roller skates
You got a brand new key
I think that we should get together and try them out you
see

I been looking around awhile
You got something for me
Oh! I got a brand new pair of roller skates
You got a brand new key

I ride my bike, I roller skate don't drive no car
Don't go too fast, but I go pretty far
For somebody who don't drive
I been all around the world
Some people say, I done all right for a girl

Oh, yea yea, oh, yea yea yea, oh yea yea yea yea yea
yea

I asked your mother if you were at home
She said yes but you weren't alone
Oh, sometimes I think that you're avoiding me
I'm okay alone, but you got something I need

Well, I got a brand new pair of roller skates
You got a brand new key
I think that we should get together and try them out to
see
La la la la la la la la, la la la la la la
Oh! I got a brand new pair of roller skates
You got a brand new key
