(chorus:)

Lay down lay down, let it all down  
Let your white birds smile up at the  
Ones who stand and frown  
Lay down lay down, let it all down  
Let your white birds smile up at the  
Ones who stand and frown

We were so close, there was no room  
We bled inside each others wounds  
We all had caught the same disease  
And we all sang the songs of peace

chorus

So raise the candles high cause if you  
Don't we could stay black against the night  
Oh raise them higher again and if you  
Do we could stay dry against the rain

chorus

We were so close, there was no room  
We bled inside each others wounds  
We all had caught the same disease  
And we all sang the songs of peace  
Some came to sing, some came to pray  
Some came to keep the dark away

So raise the candles high  
Cause if you don't we could stay  
Black against the sky  
Oh oh raise them higher again  
And if you do we could stay dry against the rain

chorus
